

McCREARY COUNTY SEARCH AND RESCUE
WHITLEY CITY, KENTUCKY

To: Clay County Fire Alliance
Re: Radio Frequency License

04-17-2003

To Whom It May Concern:

As per our telephone conversation on April 17, 2003, I understand that Manchester-Clay County Fire Alliance allowed their radio frequency license to expire. I also understand that frequency 155.715 is licensed to our rescue squad and the coordinator requested a letter of consent for the issuance of the same frequency. At this time I am unaware of any interference and have no problem with Manchester-Clay County Fire Alliance being issued the same frequency.
